# Glimpses -25 (Annual Report-2024-25)

All distinguished guests, parents, media persons; teaching and non-teaching staff and dear children  
It is with immense pride that I present to you the annual report of CHANDRA PUBLIC SCHOOL. As we passed through our long journey of 21 years, we are thrilled to share our achievements, milestones, and future plans. I am delighted to report that our school has continued to excel in academics, extracurricular activities, and sports. Our commitment to providing quality education and fostering holistic development has yielded outstanding results. I extend my gratitude to our management, dedicated faculty, supportive parents, and enthusiastic students for their tireless efforts.

Smt. Chandra Welfare Society is an Educational Charitable Society registered in the year 1999. It has been managing Chandra Public School since 2003. It is affiliated to the Central Board of Secondary Education, New Delhi, since 2010.

As we passed through 21 years of service towards providing quality education since our inception in 2003, we take this opportunity to thank the Almighty Lord for his abundant blessings, and our patron, managing committee, parents, teachers, students, and all well-wishers.

## Special Achievement of Our Society

We are pleased to announce that Smt. Chandra Welfare Society is coming up with a new campus **Chandra International School** which will be inaugurated in this month and open for the session 2025-26 with world class infrastructure and all modern amenities.

Collaborating with Edunext Technology Pvt Ltd, our school avails complete digital solutions for the benefit of all stakeholders, which facilitates the parents to access the attendance, results, class takeaways and circulars, payment gateway etc. on their mobile phones at anytime from anywhere. It has made the communication between the parents and the school easier.

## Academics

Achieving academic excellence is at the heart of the endeavor of all educators and academic institutions. An effective assessment of this pursuit is how the institution has performed in the examinations conducted by the CBSE.

It was a gratifying experience to see the brilliant performance of the students of CPS continuously in the examinations of the CBSE since the 1st batch. In the AISSE 2024 exam, CPS set a state record by securing the first and second positions in Mau District. While both Kshitij Raghuvanshi and Shilpi Yadav of our school became the district toppers with 97.6% each, Shivbrat Yadav and Shashwat Gupta of our school secured the second position with 97.4% each. 62 students of our school obtained above 90% which was a record of Uttar Pradesh in CBSE result.

Similarly, in class XII, we witnessed stupendous performance from the part of our students, with Sanskar Agrawal scoring 95.4% in Commerce, and Disha Rai securing 94.4% in Commerce. Out of the total 169 students who appeared in 2024, 121 students secured first division and 48 students secured second division.

Over these years, Chandra Public School has created many high achievers, and I have no doubt whatsoever that they will go on to distinguish themselves in the years to come and will continue to make us feel proud.

We are proud of our legacy as a disciplined educational institution. In a survey conducted by the Gloria Educational Society, Bangalore, Chandra Public School was placed at 11th rank in the parameter of Academic Excellence out of the best 250 schools in the country affiliated to the CBSE and ICSE.
